## Dream of a fresh Morning

"Amidst the waves of knowledge in the vast ocean of the mind,

Oh, the people of wisdom, gather around,

let's merge in the clouds of knowledge at Nalbari College."

## Our Appeals

Since Nalbari College is located in the central area of Nalbari district, students from Nalbari district as well as nearby regions come to study here for higher education. However, there are limited hostel facilities for boys in the vicinity. Therefore, on behalf of the Student Union, we submit a memorandum to the principal of Nalbari College to complete all the pending works of the under-construction boys' hostel and make it available for the students.

As the General Secretary of the Nalbari College Student Union, I also submit a memorandum to the local MLA and state minister Jayanta Malla Baruah, seeking a solution to the three main issues of Nalbari College. We request the construction of a beautiful science auditorium with a capacity of 1000 people, new classrooms, and the installation of scientifically designed drainage systems around the college to control artificial flooding during the rainy season. The minister has assured us that these issues will be resolved promptly to benefit the student community.

A significant problem at Nalbari College is the lack of necessary medicines in the health care center. Hence, as the General Secretary of the Student Union, I submit a written memorandum to the principal. Additionally, we propose to ensure the provision of water purifiers in almost all departments of Nalbari College.

Furthermore, there have been ongoing issues with the parking system for two-wheelers in front of the science block. To address this, we submit a memorandum from the Student Union to improve the parking system and to install CCTV for vehicle surveillance.

For the arrangement of a badminton court for the boarders of Dr. Harekrishna Goswami girls hostel and for the improvement of the hostel library a memorandum was given to the respected principal. sss
