- 8. Activities Carried out / Detail Description of the event:**

A sophisticated laboratory visit to Centre of Excellence for Energy Studies (COEES) of Oil India Limited located in the G.S. Road, Guwahati has been arranged specially for the 5th semester students. At the onset of the visit, the company official, Dr. Kuldip Sarmah has given a presentation on “Business in Oil energy sector and activities of Oil India limited” to give an idea of the oil industry. After that students were taken to their various laboratory units to provide them a brief idea of chemical analysis of various soil and rock samples using the sophisticated instrumentation facilities available at their centre. By visiting the centre, our students have broadened their knowledge about the oil industry specially about their upstream, mid-stream and down-stream business and also about the carrier prospects in oil sector.
