8. **Activities Carried out / Detail Description of the event:**

An industrial visit has been arranged to a reputed manufacturing firm located in the Nalbari itself. This is the only firm in North East India which has been engaged in the manufacturing of Instant Tea (both cold and hot water soluble) for last 11 years. Apart from supplying their product to the premix manufactures and beverage Industries within the country; they are also exporting to U.S.A., U.K., Dubai, Pakistan, New Zealand etc. Recently, the company has installed the biggest plant of Instant Tea in India (Annual Capacity of 1500 MT). The students were taken into the different unit of the firm as well as the newly installed fully automated plant boosting with the latest technology to have a overall view of the firm. The proprietor, Mr. Prodip Jain who is a proud alumnus of the Nalbari college has been briefing about his firm in detail and also has motivated our students to set their own business model in future by using the knowledge gathered during their study.
