### REPORT

A community outreach programme was held on 30-04-2022 by the teachers of Economics department in order to encourage students to involve in community outreach activities. The main objective of the program was to understand the problems faced by the women's of the self-help groups in Barkuriha village of Nalbari districts.

A group of 20 women belonging to different SHG'S attended the programme. While discussing various issues it was evident that due communication gap within the members of each group, they have taken up different activities individually. For example- ten women in One SHG'S may resort to weaving, kitchen garden, animal husbandry such as goat farming etc. Almost all women unanimously agreed that they are interested in learning new skill and they refer that since fresh mushroom has gained good market in the nearby areas so they were interested in undergoing training . So, we requested the president of the SHG's, Mrs. Purabi Deka to visit Krishi Vigyan Kendra, Nalbari to discourse the matter. We also assured help in this regard.

The program was also attended by the 20 students of 6th semester, Dept of Economics (Honours), Nalbari College and were happy to interact with the women and learning the way of their life.
