7. **Activities Carried out / Detail Description of the event:**

The department of Geography conducted a group Discussion session on International Relations, with reference to the field of Political Geography on 17-03-2023. Important and current topics of interest on international and national political importance were placed before the students to discuss and reach a conclusive point. A total of 25 students attended the group discussion. 5 groups were created with 5 students each. Each group was given a topic, which concerned political and diplomatic importance, trade relations and security, power relations etc. The session was conducted with the aim of creating awareness and knowledge as well as a generating political awareness amongst students.
