8. **Activities Carried out/Detail Description of the event:**

A field Survey / Field trip was organized by the department for the 5th semester honor students to Darjeeling, (West-Bengal) and Gangtok (Sikkim) India (2019-2020). The main aim of the trip is to gather geographical details considering hill terrains of Darjeeling, Lachung, Yumthang Valley, Tsomgo Lake, hilly lifestyle, the economic condition, and to expose the students to practical perspectives of their theoretical knowledge. The session was conducted so that it can be rejuvenating to the students apart from classroom lecture as well as they get a direct experienced to the geographical facts.
