

Since 2002, the **Department of Chemistry** at **Nalbari College** has served as an examination center for and stalwart participant in the **Chemistry Olympiad**, orchestrated by the **Society for Chemical Education**, Assam, for students in grades IX to XII. This engagement endeavors to kindle a profound interest in chemistry among young scholars, offering them a prestigious platform to showcase their knowledge and prowess. Over the years, Nalbari College's students have consistently distinguished themselves, clinching top positions and garnering numerous accolades, which not only underscore their expertise but also bolster the college's repute in chemical education.

The Olympiad serves as a significant catalyst for students, enhancing their critical thinking and problem-solving skills while deepening their understanding of complex chemical concepts. Through these meticulously structured preparatory activities, students gain confidence and competence, which reflect in their outstanding performance at the Olympiad. The college's commitment to academic excellence and its strategic approach to preparation have played a pivotal role in the success of its students.

Furthermore, the sustained participation and remarkable achievements of Nalbari College have had a far-reaching impact beyond individual accolades. They have inspired a broader community of students to pursue chemistry with enthusiasm and dedication. This inspiration extends to fostering a culture of academic rigor and intellectual curiosity within the college and its surrounding educational institutions.

The Chemistry Department's efforts have also strengthened community ties, promoting collaboration and knowledge exchange among local schools and colleges. This symbiotic relationship has created a robust educational ecosystem that benefits all stakeholders involved.

The Department remains resolute in its commitment to perpetuating this tradition, aspiring for greater triumphs and furthering the advancement of chemical education in the region. With a vision to inspire and nurture future generations of chemists, Nalbari College continues to uphold its legacy of excellence in the Chemistry Olympiad, contributing significantly to the academic and personal growth of its students.

Attached are two sample appreciation letters for reference, showcasing evidence for consideration.
