GATE & JAM Orientation-2026

Date: 25.09.2025

Time: 12:30 pm

Total Student beneficiary: 30

Total teacher beneficiary: 5

An insightful outreach program titled "GATE & JAM Orientation–2026" was conducted on 25th September 2025 at the Physics Gallery, Nalbari College, Nalbari. The session was organized by the Physics Forum and IQAC of Nalbari College, in association with IIT Guwahati.

The resource person for the event was Prof. Jiten Chandra Kalita, from the Department of Mathematics, IIT Guwahati. Prof. Kalita shared valuable guidance and strategies for aspiring candidates preparing for the GATE and JAM examinations, emphasizing conceptual clarity, preparation techniques, and the importance of interdisciplinary learning.

The program aimed to motivate and equip students with the right tools and mindset for success in national-level competitive exams, fostering academic excellence and career readiness.
