9. Activities Carried out/Description of the event:

The students of the 4th and 6th Semesters undertook an educational excursion to Kolkata and Digha from 28th February to 1st March, 2025, as a part of their academic curriculum. During their stay in Kolkata, the students visited several prominent places of educational and historical significance, including the Acharya Jagadish Chandra Bose Indian Botanic Garden and Science City. The visit to the Botanical Garden enabled students to observe a rich diversity of plant species and learn about plant conservation and botanical research. At Science City, students explored various scientific exhibits and interactive displays that helped foster scientific curiosity and understanding. In addition, the students visited several historical landmarks and cultural sites across Kolkata, gaining valuable insights into the city's rich heritage, architecture, and history. These visits contributed significantly to their overall knowledge and appreciation of India's cultural legacy.

The excursion concluded with a visit to Digha Beach, where students had the opportunity to relax and enjoy the scenic beauty of the coastline after an enriching educational tour. The excursion proved to be both informative and enjoyable, offering students a unique blend of academic learning, cultural exposure, and recreational experience. Overall, the programme was a memorable and rewarding experience for all participants.
