<p><b>Registration Fee</b></p> <p>Registration Fee (Including Course Material, Snacks and Lunch)</p> <p>• Rs. 1,500/- for Faculty, Lab Technicians and Project Staff</p>		

Objective of the Course	About E&ICT IIT Guwahati	About Nalbari College
<p>To impart Soft Skill Development training to a level where faculties will be benefited in terms of the teaching style, personality improvement, classroom delivery etc.</p>	<p>Electronics and ICT Academy is an initiative of Ministry of Electronics &amp; Information Technology (MeitY), Govt. of India for Faculty/ Research Scholar Development Programme.</p> <p>Academy has planned short term training programmes on fundamental and advanced topics in IT, Electronics &amp; Communication, Product Design, Manufacturing with hands on training and project work using latest software tools and systems.</p> <p>In addition, the Academy will conduct specialized/customized training programmes and research promotion workshops for corporate sector &amp; educational institutions.</p>	<p>Nalbari College is one of the premier colleges of Assam. Established way back in pre-independent era (in 4th July, 1945), this college has taken a pioneering role in shaping and promoting higher education in the entire lower Brahmaputra valley. In the beginning, the college was affiliated to the Calcutta University, it was only in 1948, when Gauhati University was established, it came under the academic jurisdiction of the latter. The college received the UGC recognition under Section 2(f) in 1962. Beginning with a modest number of only 28 students, today it has a sizable strength of about 4500 students (including Higher Secondary programme). Presently the college has been offering 19 UG, 2 PG, 1 PG Diploma and a few certificate programmes. Spreading over 16 acres of land, the college has a built up area of approximately 8 acres. As an institution, Nalbari College draws strength and inspiration from the untiring efforts of the founding figures of this college and strives to live up to the dreams of these noble souls to produce competent and industrious human resource and to turn the institution into a nodal facilitating centre for inclusive and sustainable development of the region.</p>
<p><b>Course Outcome</b></p> <ul style="list-style-type: none"> <li>Better personified teachers would evolve and a better classroom decorum would be initiated.</li> <li>A better student teacher relationship can be envisaged.</li> <li>More than results, pedagogy of comprehensive delivery methodologies would be initiated.</li> </ul>
