The utilization of Information and Communication Technology (ICT) tools by teachers in college is of paramount importance, revolutionizing the educational landscape and enhancing the learning experience in multifaceted ways. ICT tools, encompassing a broad range of technologies such as interactive whiteboards, learning management systems (LMS), online collaboration platforms, and educational software, offer significant benefits that address the evolving needs of modern education. Firstly, these tools facilitate more engaging and interactive teaching methods, moving beyond traditional lecture-based approaches to include multimedia presentations, virtual simulations, and interactive quizzes, which can capture students' attention and cater to various learning styles. This dynamic and engaging environment not only makes learning more enjoyable but also improves retention and understanding of complex concepts. Additionally, ICT tools provide teachers with valuable data analytics, enabling them to track student progress, identify learning gaps, and personalize instruction to meet individual student needs. This personalized approach ensures that each student receives the support they need, fostering a more inclusive and effective learning environment. Furthermore, the use of ICT tools enhances collaboration and communication between students and teachers, as well as among students themselves. Online discussion forums, group projects facilitated through digital platforms, and real-time feedback mechanisms create a more connected and collaborative classroom experience, encouraging active participation and peer learning. Moreover, ICT tools extend the learning environment beyond the physical classroom, offering opportunities for remote and blended learning. This flexibility is particularly beneficial in today's globalized world, where students may need to balance education with other commitments or may be located in different geographical regions.

Amidst the shifting educational landscape, **Nalbari College** has adeptly embraced the changing tides, seamlessly integrating a plethora of **Information and Communication Technology (ICT)** methodologies into its pedagogical framework. Recognizing the pivotal role of technology in enriching the academic journey, the college has harnessed ICT tools to elevate the learning experience. Through the deployment of interactive whiteboards, cutting-edge learning

management systems, and collaborative digital platforms, educators at Nalbari College endeavor to engross students in immersive and interactive learning modalities. By infusing their teaching methodologies with ICT innovations, faculty members strive to instill critical thinking prowess, foster collaborative synergies, and nurture a profound comprehension of academic subjects among their students. This unwavering commitment to leveraging ICT resources underscores Nalbari College's unwavering dedication to providing a contemporary and forward-thinking educational milieu, empowering students to cultivate the indispensable skills requisite for academic excellence and future professional triumphs. Consequently, learners emerge poised to navigate the complexities of their scholastic voyage and contribute meaningfully to their chosen vocations upon graduation.

SAMPLE EVIDENCE OF USE OF ICT TOOLS:

DEPARTMENT OF BOTANY:

1. Use of ICT Tools by teachers:

Dr. Namita Deka , taking a class of $1^{\rm st}$ Sem , on Algae (Genus-Volvox) through power point presentation.

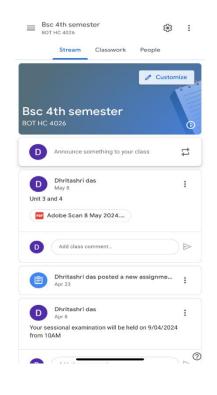

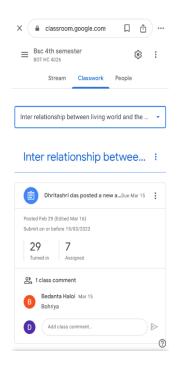

Dhitashri Das, taking a class of $3^{\rm rd}$ sem , on Economic Botany through power point presentation.

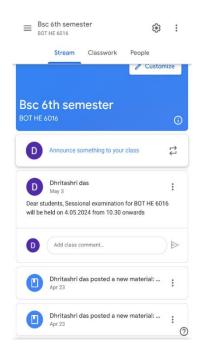

2. Records of online classes:

4. Use of email for online class.

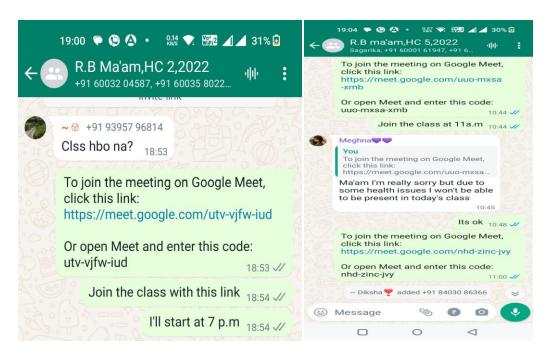

5.Use of WhatsApp for online classes

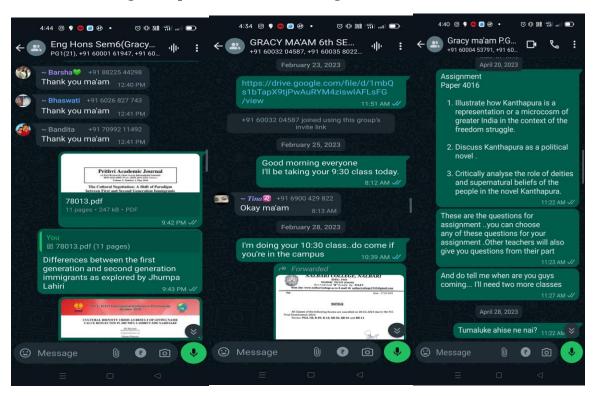

Use of WhatsApp platform for online classes by Dr. Kakali Dutta, Associate Professorof the Department of English (From left to right).

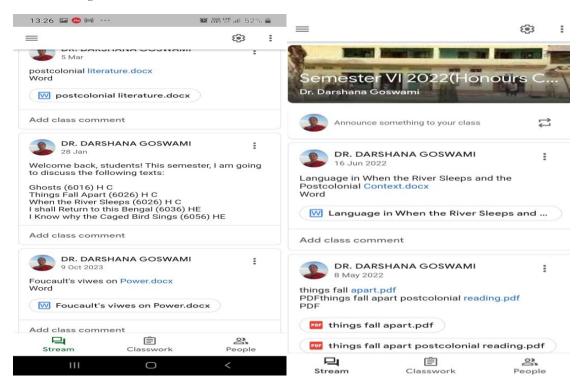

Use of WhatsApp platform for online classes by Dr. Ranjana Bhattacharyya, Associate Professorin the English Department (From left to right).

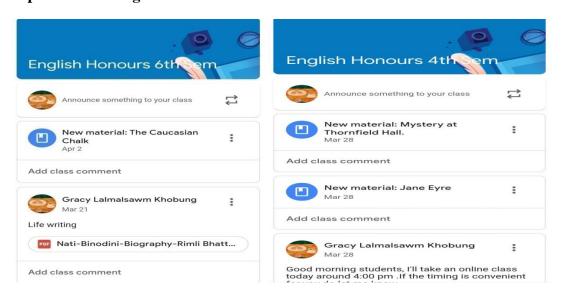

Use of WhatsApp platform for online classes by GracyLalmalsawmKhobung, Assistant Professor of the Department of English (From left to right)

6.Use of Google Classroom for online classes:

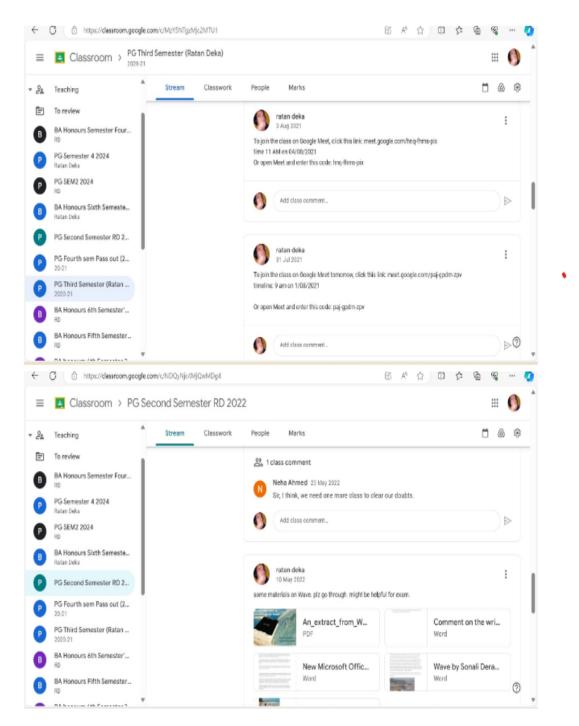

1. Google Classroom Class announcement

Use of Google Classroom by Dr. Darshana Goswami, AssistantProfessor of the Department of English.

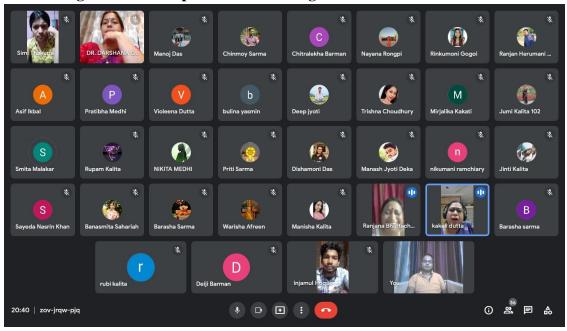

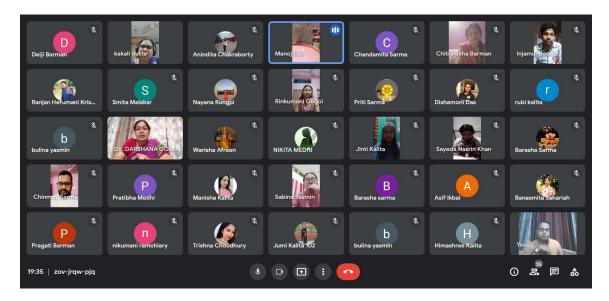

Use of Google Classroom by Gracy Lalmalsawm Khobung, Assistant Professor of the Department of English

Use of Google Classroom by Dr. Ratan Deka, AssistantProfessor of the Department of English

2. Use of Google Meet for Departmental meetings.

During the COVID-19 pandemic, the departments effectively utilized Google Meet for conducting meetings, ensuring continuity in communication and collaboration. This virtual platform enabled members to safely engage from various locations, maintain social distancing, and continue their work without disruption. Google Meet proved essential in facilitating departmental discussions, planning sessions, and regular check-ins, thereby supporting the department's objectives and activities throughout the pandemic.

7. Use of ICT in offline classes by Teachers.

Dr. Ratan Deka, Assistant Professor, Department of English, enlightened the students with the help of ICT tools on Feudalism and social stratification.

Dr. Ranjana Bhattacharyya, Associate Professor, Department of English, enlightened the students with the help of ICT tools on Abhignanam Sakuntalam and Shakespeare's Sonnet.

DEPARTMENT OF ZOOLOGY:

A. Evidence of use of ICT Tools:

In light of the dynamic nature of our contemporary milieu, the **Department of Zoology** has adeptly incorporated **Information and Communication Technology** (ICT) tools into their pedagogical framework. This strategic integration serves to elucidate the nuanced paradigms and avant-garde theories prevalent in modern biological science. Faculty members demonstrate erudition by employing an array of cutting-edge ICT tools to impart knowledge and foster intellectual discourse. Enclosed herein are substantiating exemplars attesting to the efficacy of this scholarly approach.
