4. Name of Resource persons : Dr. Santana Devi, MD, Anaesthesiologist and Intensivist and
Dr. Ariful Islam, Medicine Specialist, Sushrusa Hospital, Nalbari
5. Number of participants : 118
6. A brief write up of the programme:

The Internal Quality Assurance Cell, Nalbari College, Nalbari and Sushrusa Hospital, Nalbari successfully organised an important programme entitled “Awareness Programme on Prevention and Management of Snake Bite” on 22nd September, 2022 to sensitise the students about dos and don’ts in case of the critical event of snake bite. The programme was inaugurated by Dr. Kamal Nayan Patowary, Principal, Nalbari College, Nalbari. Dr. Santana Devi, MD, Anaesthesiologist and Intensivist and Dr. Ariful Islam, Medicine Specialist from Sushrusa Hospital, Nalbari acted as resource persons in the programme. They delivered a detailed presentation on the different aspects of snake bite like venomous and non-venomous snake, medicine available and our responses to such a traumatic event so that precious human lives can be saved. Snake bite is a major cause of concern in our society and the misconceptions about the snake bite has contributed to the spread of superstitions in the society. People generally take recourse to traditional medicine and therapy as a response to snake bite. Critical time loss is one of the major impediments in the event of snake bite when people do not rush to hospitals immediately after the snake bite. A large number of students and teachers participated in the event. Dr. Swarup Sarma Basistha, Senior Gynaecologist from Sushrusa Hospital and Dr. Dhiraj Talukdar, co-ordinator, IQAC, Nalbari College was also present on the occasion. After the lecture a Q&A session was also held where students participated and collected information on Snake Bite.
