Preamble

Nalbari College, Nalbari is one of the premier higher educational institutions in Assam. The institution is established in pre-independent India on 4th July 1945. From its establishment onwards, the college has taken a pioneering role in shaping and promoting higher education in the entire lower Brahmaputra valley. The Department of Chemistry is one of the oldest departments of the institute. This is one of the premier departments of the college that consistently demonstrated excellence in academic and research pursuits.

d-Midas Diagnostics in Nalbari is one of the leading businesses in the Radiology, Microbiology, and Pathology Labs and diagnostics centre. The centre plays a crucial role in healthcare by providing essential diagnostic information that guides treatment and preventive measures in lower Assam.

Both parties have been working on applied research in life science and health care. The Chemistry department of Nalbari College, Nalbari and d-MidasDiagnostics, Nalbari would be mutually supportive in the clinical diagnostic based research work.

Department of Chemistry, Nalbari College, and d-MidasDiagnostics, Nalbari, hereinafter collectively referred to as the parties/institutions, and individually as party/institution.

Objectives

1. Incorporate practical, hands-on training for chemistry students in analytical and clinical diagnostic techniques and laboratory procedures.
2. Collaborate on updating and enhancing the curriculum to include contemporary diagnostic methodologies and technologies.
3. Facilitate internship programs for chemistry students at the clinical diagnostic laboratory to gain practical experience and industry exposure.
4. Offer training sessions, workshops, and seminars by laboratory professionals to students and faculty to keep them abreast of the latest advancements in clinical diagnostics.

There will be no financial obligations on both parties under this agreement.
