Note:

- i. Groupings for theory classes for a course are to be done as per convenience and communicated with the students by the department concerned.
- ii. Grouping for practical classes of Sem-I will be done centrally and will be communicated to the departments.
- iii. For Sem-III and Sem-V total no. of classes per week for a course is to be arranged by the department concerned as per G.U. syllabus even if it is shown on all days of a week. Normally for theory classes, 4 credit in a paper means 4 classes of one hour duration per week and for practical classes 1 credit means 2 classes of duration 2 hours per week. In some cases, for theory paper, 1 credit means 15 hours of theory classes in a semester.
- iv. Groupings for Sem-III and Sem-V practical classes for major courses are to be done by the department concerned, but the same for minor courses, if needed, may be communicated centrally.
- v. For any observed discrepancies HoDs are asked to communicate with the undersigned to get it resolved asap.
- vi. This routine will be effective from 1st August, 2025.
